

TESTAMONIAL

To Whom It May Concern

I have had the privilege and pleasure of working together with Alistair Cronk and Allycat events for the last 5 years.

The work has always been centred around the following:

- MC duties
- Commentary
- Providing quality sound for the Start/Finish and prize giving
- Providing his own trailer which doubles up as the sound booth

The events that we have worked on together include and are not limited to:

- Pick 'n Pay Marathon
- Dischem Half Marathon
- Old Eds Half Marathon
- Solomons Primary School MTB Series
- Clearwater 10km

I have always been impressed with Alistair and his team's dedication and commitment to work together with race organizers to ensure that the events are a huge success.

Nothing is ever too much for him and he has an incredible repouir with both the entrants as well as the organizers.

Incredibly witty and an absolute master on the Microphone, race entrants love hearing him welcome them over the finish mats.

I would highly recommend Alistair and Allycat Events for anyone wishing to work with a consummate professional.

Please feel free to contact me for a reference.

Yours in sport
